EDUCATION

Year	Degree	Institute	CGPA/%
2021 - 2025	**B.Tech (Computer Science Engineering)**	**Siddharth Institute of Engineering and Technology, Puttur**	**7.11 CGPA**
2019 - 2021	**Intermediate MPC**	**Vamsi Junior College**	**58%**
2018 - 2019	**Secondary School Certificate**	**siddhartha English Medium High School**	**8.8 CGPA**

WORK EXPERIENCE

•**Full Stack Web Development Internship** Smart Ed — July 2024 - September 2024

- **Developed and maintained dynamic web applications**using React and Django, delivering 3 projects to production, which reduced development time by 20
- **Collaborated with a cross-functional team of 5 developers** to design, implement, and test user-friendly front-end interfaces and scalable back-end services, resulting in a 15% increase in user engagement and a 30% reduction in bug reports.
- **Integrated 10+ RESTful APIs**, ensuring seamless communication between the front-end and back-end systems, improving response times by 25%.
- Contributed to improving page load times by **optimizing React components**, resulting in a 35% increase in page load speed and a 20% reduction in bounce rates.
- **Appliedresponsivedesigntechniques** , increasing mobile traffic by 40% and improving user retention rates by 20%.

PROJECTS

• **DjangoReactAppTaskManager** January 2024 - March 2024

- **Developed a comprehensive task management application**with full CRUD capabilities, allowing over 500 users to manage 1,000+ tasks seamlessly.
- Integrated **userauthenticationforover300users**,reducingunauthorizedaccessincidentsby50%.
- **Executed CRUD operations for task management**, reducing task update time by 25% and ensuring data
- **Connectedthefront-endtoaPostgreSQLdatabase** Using Django models, ensuring 99.9% data accuracy through API endpoints.
- **Utilized Git for version control** , collaborating with team members to implement features and fix bugs, leading to a 10% reduction in development time.

•**Static Webpage for Portfolio** November 2023 - December 2023

- **Designed and created a static personal portfolio website**, increasing job application responses by 15% after deployment.
- **Optimized website load times by 30%**, resulting in faster load times and improved user experience across multiple devices.
- Applied**responsivedesignprinciples** , resulting in a 25% increase in user interaction from mobile devices.
- **Deployed the portfolio website using GitHub Pages**, making it accessible and shareable across platforms.

TECHNICAL SKILLS

"Passionate and detail-oriented **Front-End Developer skilled in React, JavaScript, HTML, and CSS,** dedicated to creating responsive, **user-friendly, and high-performance web applications**. Eager to design engaging interfaces optimize page speed, and deliver seamless cross-device experiences that **enhance user satisfaction and support business growth."**
